Afternoon Tea in the Function Room

- Our upstairs function room can sit up to 20 people in one block (or 28 at a squeeze..!) or a maximum of 40 on individual tables of 6 or 8. Unfortunately there is no disabled access so the room is unsuitable for guests with mobility issues. Toilets are available on the ground floor.
- Our Afternoon Tea is £18.50 pp and is served on a three-tiered stand for two to share. It includes a selection of finger sandwiches on malted and white bread (our current fillings are hand carved ham, tuna mayonnaise, cream cheese with cucumber and egg mayonnaise), a chocolate brownie, a mini Victoria sponge, a crème patisserie tart and a little lemon posset, along with a fruit scone with jam and clotted cream, and unlimited Yorkshire Tea or Shropshire coffee.
- All food is freshly prepared on site so all dietary requirements can be catered for. We are able to provide alternative sandwich fillings or plain scones if required. **Please advise on booking.**
- There is a £50 Room Hire charge which is taken as a non-refundable deposit on booking to save the date. Final numbers must be confirmed and full payment made at least 4 days in advance. **This must be a single payment from the party organiser.** Any cancellations after this point are non-refundable, but the food can be boxed to take away, or it can be shared between the guests in attendance.
- As we are a fully licensed venue you can't bring your own drinks, but let us know in advance if you'd like prosecco on arrival (non-alcoholic fizz is available for the mum-to-be too!) so we can get this set up for you.
- We provide a portable speaker, which can connect via Bluetooth/AUX cable so you can play playlists from phones/Spotify etc.
- The room is yours for the day, so you can come beforehand to decorate and you have exclusive use until we close at 4.30pm.

We look forward to welcoming you at Heath House Farm.
